## **USEFUL INFORMATION**

### **TIOMAN ISLAND, DIVING SEASON, VISIBILITY:**

- Tioman Island is the biggest and most impressive island on the east coast of Peninsular Malaysia. The island is some 35km long and covered densely in one of the oldest rain forests. It's just begging to be explored and is habitat for a large variety of flora and fauna.
- The main attractions on Tioman are scuba diving and snorkeling plus rainforest trekking
- Dive sites around the famous Coral Island are renowned for their healthy coral reefs and abundance of marine life. Travel distance to dive sites from our centers range from 5min to 30min
- Diving season: Early February until late November
- Best visibility (15m to 25m): March to June and September to November
  - Diving is still fantastic during the summer peak season (June - August), but the underwater visibility is usually reduced to approximately 8m to 15m

### **MEALS**

- Meals are not included
- There are numerous restaurants within easy walking distance from the resorts offering local and western cuisine with the highlight being fresh seafood BBQ

### **ELECTRICITY**

- Electrical outlet is 220 Volt AC, 50 cycles using three rectangular prongs similar to British plugs

### **INTERNET**

- Free WiFi internet service for our customers at our dive centers
- Internet connection on the island is generally slow and can't be guaranteed

### **TRANSPORTATION**

- Ideally guests take a morning ferry from either Mersing or Tanjung Gemok and return on the final day with a ferry in the afternoon
